Materiali: policarbonato traslucido (versioni colorate) o in resina termoplastica (versione bianca).

Specificità: possibilità di comporre configurazioni multiple.

Light emission

Colours

Polished white

Trasparent

Trasparent dark grey

Trasparent orange

Materials

Translucent polycarbonate (coloured version); thermoplastic resin (white version).

Specification

It is possible to create multiple configurations.

Matériaux

Polycarbonate translucide (version colorée) ou en résine thermoplastique (version blanche).

Spécificité

Permettant de créer de multiples applications.

Materialien

Farbige Ausführungen aus transluzentem Polycarbonat, weiße Ausführung aus Kunstharz.

Spezifikation

Die Vielzahl an Kombinationsmöglichkeiten gestattet die Anwendung individueller Konfigurationen.

Materiales

Policarbonato traslúcido (versiones color) o de resina termoplástica (versión blanca).

Especificaciones

Posibilidad de componer configuraciones múltiple.

INC max 1x40W (E 14) – D 45

IP20
